## **PHIL GLENDENNING AM**

Director of the Edmund Rice Centre for Justice And Community Education  
President of the Refugee Council of Australia

*"We live in challenging times. But we have a choice:  
either we can crawl up in a ball because it's too hard,  
or we can respond."* Phil Glendenning AM

In his work for the Asylum Seekers and Refugees, Phil led the Edmund Rice centre's research team for the "Deported Danger" series which monitored the safety of rejected asylum seekers in 22 countries, and resulted in an internationally screened documentary, "A Well Founded Fear", in 2008. He was a consultant on the 2012 TV series; "Go Back to Where You Came From."

In the 2017 Australia Day Honours, Phil received the Order of Australia Award (AM) for significant service to the community through social welfare organisations, as an advocate for human rights, and to education.
